

The Fort Worth Chapter of Credit Unions has a program that lets you show your support of the Chapter and ensures your inclusion in Chapter events. This program is known as the **Preferred Partner** Program.

Instead of soliciting monetary support from you several times during the year, you can become a **Preferred Partner** and donate money only once a year. Your funds are used to support scholarships, charities, community programs, chapter meetings, educational seminars, the Vendor Exposition, the Casino Night benefiting Children's Miracle Network and the Chapter Golf Tournament. Just think how easy planning for yearly expenses at budget time will be with this program.

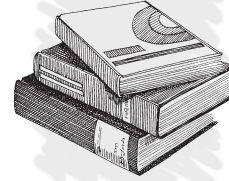

When you become a **Preferred Partner**, you can be assured of your

inclusion in all or some of the Chapter events, depending on your level of participation. And we can be assured that the Chapter will have the funds to support these programs.

In addition, by participating, you will be added to our list of "**Preferred Partners**" that will be included in the Chapter Directory Book each year. This list will be the first place of reference for Chapter Credit Unions when shopping for a product or service. Plus, you'll also receive a link to your company on the Chapter web site at www.fwcuc.org.

Without your support and dedication, the Chapter could not be as productive or successful.

The annual sponsorship period is based on your enrollment date. So sign up today and start enjoying the benefits of being a **Preferred Partner** right away.
